

The Sigils

1-3-6-2 Structure

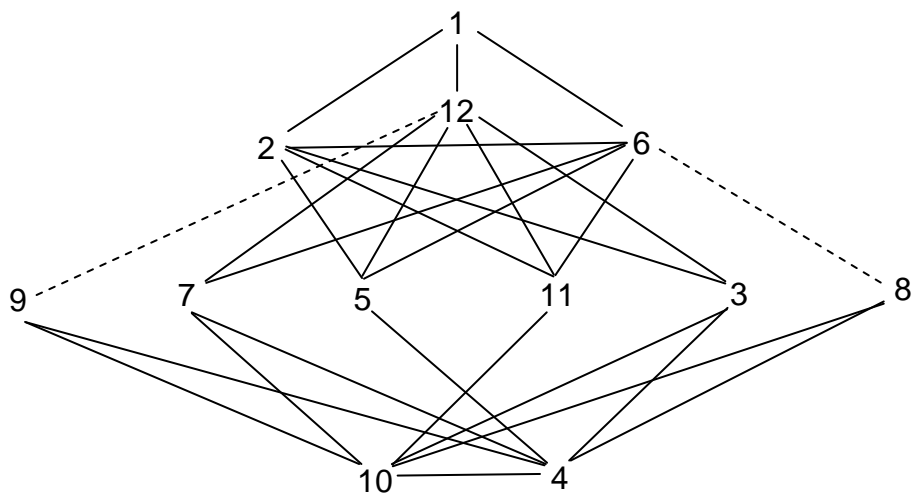

There are 4 levels. The second level arises from the first by swapping one pair only. The third level arises from the second by swapping a further pair only.

Levels

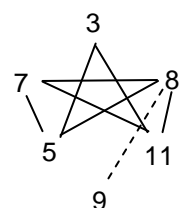

Interconnections Between Levels

Lines show pair changes (dotted lines are also pair changes, but are not symmetrical in this pattern).

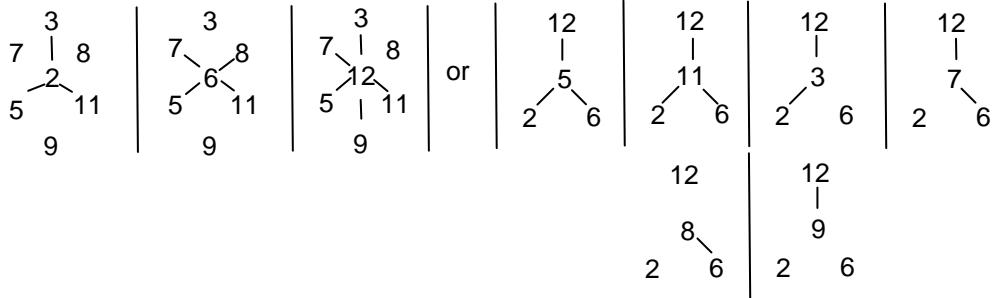

No connections between level of 1 and 6
 No connections between level of 1 and 2
 No connections between level of 3 and 2

Connections on Level of 6:

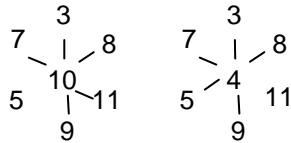

Between the level of 3 & 6: Sigil 2 changes to 3 others,
 Sigil 6 changes to 4 others,
 Sigil 12 changes to 5 others,
 Sigils 5 and 11 connect to all 3 at the level of 3,
 Sigils 3 and 7 connect to 2 at the level of 3,
 Sigils 8 and 9 connect to 1 at the level of 3.

Between the level of 6 & 2: Sigil 10 changes to all except 5,
 Sigil 4 changes to all except 11.

All this further confirms the importance of the sigils 4, 5, 10, 11.

N.B. (1) Between level of 3 and 6.
